## Cannon Super Mario Bros Wii

Posted May 6, 2013 Authored by Lelap / Weland There are 2 types of Cannon: Link Barrels: These are like the regular cannons in Super Mario Bros. They are worth 100 points in the Link Cup, but do not provide the health you would get from collecting Bells. Instead, they give you +50 points, enough to reach a 100% in the Link Cup. Super Mario Bros. Canyons: These can only be unlocked with the additional points from winning the Cannon Cup. They are worth 200 points in the Link Cup. Besides the level's cannon, they also contain the Star Item, which provides the same benefits as the Capsules found in this world. However, when the Sky Crown is obtained, this item is automatically given to the player instead.
