You can download them on your computer, set an alarm to ring when you want to practice or play and get the practice ready just in time for the lesson. All of our bass tutorials are free and all of our drum tutorials are free. Concerning the guitar tutorials we have three types. The first type is our standard tutorials. These are meant to use a great time to allow you to exercise your skills. When you feel like your skills are good enough you can move onto the next tutorial. The next type is our Christmas tutorials. This is our testing labs for players who want to practice parts of songs that they are preparing for exams. That way you can get the result without wasting time practicing the same thing over and over again. The final type is the guitar tutorial with a mission. These are designed to do a mission of God and help us save other people's lives by sharing the Gospel and God's Word with them. Albums and Downloads We have a downloadable series of songs and downloads of songs that are available to purchase. These downloads are free and contain all the songs and downloads as well as a PDF of the song lyrics and backing track sheet of the song. This is a very convenient tool if you want to learn any song that you want to play. Just learn the song and then go buy the download. All of these songs are meant to be used in church praise and worship services and other situations where you'll want to hear the song you're learning. But you can use these songs at home, too. We have songs that are just as good as those you'll hear in church. These songs are
