Free Tamil Movie Thuppaki Full Movie Download Utorrent - China said it would send an astronaut and an accompanying group of trainees on a Mars mission in 2020. The country's manned space program hopes the missions will put it on par with the U.S. in the space race. Beijing has also indicated that a moon mission could be in store for the year 2020, as it prepares to mark the 70th anniversary of the Communist Party's rule. "It is not something we have promised," State Councilor Yang Jiechi, China's top political adviser, told reporters on Thursday when asked about the future ambitions of the space program. "We want to do what we can do and study what we can

learn.” “By the time of our first landing on Mars, it is hoped that China will become a model in the world for human space exploration.” Yang said the dream of a Chinese space mission is for a two-person crew to explore the Red Planet and return to Earth in two years, declaring that there was no need to rush into anything. Still, China has lost several key players in the country’s space program in recent years. The nation had touted its leadership in the past, but it has seen China’s manned space programs lose a number of key personnel since 2010. China manned space program official Liu Wang has said that the space agency has not been able to recruit the “world-class” astronauts that China needs to achieve its goals. He also noted that Beijing’s space program has been plagued by poor money management and other issues, particularly in the past year. Liu said that China is looking to 3e33713323
