

It's no surprise that The Big Book of Logos has become a must-have for anyone interested in design. This classic reference source offers a huge variety of styles. The logo has always been one of the most important elements of a brand. It reflects the essence of the company or product, and sometimes can even represent the company as a whole. Logos were created to make your products stand out from the competition. They are designed to distinguish your business and your products from those of your competitor. The company logo should attract attention, make you want to buy your product or use your services. It should also be easy to remember and recognize.
