What is the size of the file? Reviews Kwip Free Boot CD and the tools it offers are the most wonderful I have seen. Thank you! Monday, June 7, 2016 I have a iMac, and my last DVD drive decided to stop working. I bought a bunch of DVDs from Amazon for my kids, and I am trying to play them on my new PC with a set of blu ray discs, using DVD player software that does not work anymore (I have no physical blu ray player to play the discs). It seems to work fine with Mac OSX on my computer, and it is not a live CD/DVD, I can boot from it and run some of the programs installed. Well, I downloaded the free iMac repair CD from the link above, to 09e8f5149f
