[Submit News] Hello Prospective ClickFunnels customer, you may be wondering what happens after signing up to ClickFunnels? Within 24 hours you will get a very attractive link and a free copy of our very popular book. Inside ClickFunnels we explain in detail how to build your membership funnels. Now as they say, one book doesnt teach you much. But inside the book we also write about the mini-course, and that can teach you a lot. If you have looked inside the book, or heard us talk about the mini-course, and think you have an idea of what you

want to do to build your own funnels, then you are ready to get started. But if you don't, make sure you do the free mini-course, because it'll give you a good head-start. Then once you have done that, if you want, you can also watch the free video mini-course that we have also made. This is because, in the videos, I also go into detail on how to set up the ClickFunnels software so you can do similar things to what you would have done in the book. Because once you know all this stuff, you are a ClickFunnels master, and I cannot stress that enough. These days you can literally scale a business fast without having any technical skills. And we help people do just that. That's our mission. So we have a great team that helps you to do just that, and
