Bangla Bukhari Sharif by IFB (Part 1/10) is a free e-book to download as a PDF file (.pdf), text file (.txt) or read book online for free. Translation by Bukhari Sharif. As the number of readers on the Internet increases, I thought it would be interesting to translate this book into Russian, and I thought it would be good to divide it into two parts. This is a translation of the first part of the book (there are 6 chapters and 9 paragraphs in this book). I have translated these chapters into Russian. Hope this will be helpful for you. I wish you a pleasant and useful reading! My translation of the books is only a translation, so if you find any errors or typos, please let me know so I can correct them.
