Camelot Hotel and Club Camelot Hotel and Club is a historic hotel building located in City Park in Austin, Texas. The Camelot opened in 1929 as a luxury hotel, and was renamed the Camelot Hotel and Club. The property was the location of the 1933 Austin City Limits Festival, which was headlined by Elvis Presley. The property has been listed on the National Register of Historic Places since August 1, 2010. It has been designated a Recorded Texas Historic Landmark by the Texas Historical Commission. The building was also made into a movie: The Camelot on Location (2008) External links Camelot Hotel and Club References Category:National Register of Historic Places in Austin, Texas Category:Hotels in Austin, Texas Category:Recorded Texas Historic Landmarks Category:Hotel buildings completed in 1929 Category:Recorded Texas Historic Landmarks Category:1929 establishments in TexasQ: how can i open a frame by clicking on the button which appears after you click on the link of the frame Review I'm really sorry, this is my first question here. Well my problem is that when I click on the review button, a frame opens. and inside this frame there is a button also. this button must open a frame of its own. Where can I define this frame and where should I define my button for it to work? A: Assuming this is a site you are building, you just need to register the frame and show it in your page. The example below uses jquery for simplicity. Review d0c515b9f4
