Then the built-in GPU is used to process video data captured by the 60 Sony high-speed vision cameras used to capture the game. The technology was first introduced in FIFA 21, and applies a tessellation volume and motion animation to the screen-space geometry, giving players an interactive experience, and the player camera is moved to match players movements. The PS4 version of FIFA 22 will have improved thermal management, because temperature sensors will be installed inside the PlayStation 4 itself. This will ensure that the fans remain cool, even if the PS4 goes into sleep mode, or if the console gets warm during gameplay. The new improved PS4 Pro will also have the thermal sensors inside the PlayStation 4. The PS4 version of FIFA 22 will ship with the new trophy UI that was introduced in FIFA 20, the new physics update that was introduced in FIFA 19, the improved referee tech, a new Pro development system, new Player A.I. and a new best player tracking system. The Edge of Heaven levels were added to FIFA 22, for a total of 50 levels, with 25 of them being in-game challenges (i.e. completing a certain goal). Fans will then be able to buy the Special Edition of the game, which contains the new Edge of Heaven levels, 20 new FIFA Ultimate Team Packs, the new gameplay modes Prejudice and Dark Days, and FIFA World Cup Trophy Showcase. Read the full announcement from the press release below: FIFA 20 Year of Journey Edges of Heaven Level of Progression In FIFA 20, developers introduce fans to the Edge of Heaven – a team of the world’s best players under the guidance of the best coach. Now fans can continue their journey with FIFA 22 with the new Journey DLC pack. Journey is a new story mode that will allow players to take control of three soccer stars from the upcoming FIFA 22. In the mission, fans will play as a member of a team of football stars, such as Lionel Messi, Neymar Jr. and Alexandre Pato, each with their own strengths and weaknesses. Players will participate in over 50 authentic and engaging challenges and compete in the best-of-five mode. Journey DLC Includes FIFA 20 FIFA 21 player ratings, FIFA 21 Ultimate Team Loyalty cards, Journey difficulty and a new set of Achievement rewards. Players will earn rewards depending on how they rank in Journey. As they progress in Journey, fans will earn FIFA 20 Ultimate Team titles and

FIFA Ultimate Team is back and bigger than ever with improved game modes, play styles, kits, and all-new animations and crowd reactions. With over 1,000 clubs from around the world and more than 650 leagues to collect, you're sure to find plenty of content in FIFA Ultimate Team. Play Now - Play Now lets you go one on one against any rival on FIFA 22. Play your opponent's team from the defensive line and try to score as many goals as you can in order to beat them. You can also compete against friends in the exciting one-on-one mode, and test your skills in the new Create-A-Playmaker mode that lets you play out the entire move, take over the offense or kick start an attack. FIFA 22 features a brand new online matchmaking system. From watching the video and creating a ranked team, to finding your opponent using the new matchmaking system, playing your favorite game mode is much easier than ever. Global View - Global View allows you to view matches from across the globe, giving you a first-hand look at the players, stadiums and crowds from any country that's available on FIFA 22, including Argentina, Australia, Canada, Colombia, Mexico, New Zealand, the USA and more. Score goals from any angle to show off your team's attacking prowess, or master impressive saves to secure defensive victories. CODSTREAMS Formidable opponents take strategy to new heights in CODSTREAMS. Choose from two new maps - The Pit and Swordfish - and deploy your squad of elite soldiers in a variety of different playing modes as you compete against your friends and foes. Build Your Army - Build your Army with the all new Points System. No longer do players earn points randomly, but earn them by playing matches, winning matches, and completing daily missions. Throw out the Knees - Players have been created with the ability to throw the ball at their opponents. Whether it is an accidental shot or a masterful lob, this new feature gives players the opportunity to put the opposition on their backs and finish their chances. An Uprising of Soldiers - Choose from the Rooks, Lancers, Scimitars and Lancer-Rooks in The Pit map, or the Creeping Rooks, Drones, Shadow of the Lancer and more in Swordfish. Your soldiers are unlocked one by one

What's new:

- **Player AI - Pick-up 100s**, with the critically-acclaimed intelligence returned to the intelligent predecessors in this year's FIFA game. When a human player attempts to pick up the ball while the ball is under control, the player's opponents will therefore try to deny them possession, hitting and tackling them.
- **Player, Manager, and Fan Engagement** - Players communicate with their opposition, brands, and fans, improving online interactions and creating unique ways to experience the game.
- **New liveries** - Take your kits game-wide with new, clothing-inspired designs for home, away, and third outfits for players, coaches, stadium staff, the manager, and supporter groups. Fans can also own individual player liveries in the Community Manager.
- **New Ultimate Team Tiers** - All-new personalisation options give you the flexibility to purchase your Ultimate Team with training bonuses or coins alone.
- **Brand New Visuals** - Create the player of the year in a new and immersive way that give players the chance to try on a player's jersey, train in their shoes, and build the ultimate uniform with a variety of stats, Awards, and Of those who...**FIFA 22 introduces "HyperMotion Technology,"** which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. **GAME MODES Career Mode** - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game. **FIFA Ultimate Team.**
