If you answered sunscreen, you're in luck because from now until Labor Day, we're celebrating sunscreen with a week-long

contest where you're encouraged to #LoveSunscreen for National Wear Sunscreen Day on Saturday, August 8th. For the final "must have," we asked our staff — here on the ground in LA, live in Las Vegas and sitting in New York — for their recommendation for a sunscreen that's consistently the most-used product on the planet (at least according to Nielsen). We can't believe we're saying this, but it's the most-used sunscreen in the world — and it's a simple one that works great in the sun, stays on all day and isn't so overwhelming that you can't use it every day. Nivea Sunscreen, with its lightweight, fast-absorbing formula that actually works when you need it to, is the ultimate must-have for summer. And the best part? You can win a free bottle! Comments The sun is pretty harsh when it's out at sea. But I've always remembered my grandma saying to the pre-teen me - whenever you get in the sun - put on the sunscreen. She wasn't a big fan of it herself, but I found when I put it on, I felt better, and it blocked a lot of the sun, so I never was burned. I always carry a small box of sunscreen when I travel, because it's easier to just pull out a small container and apply it than to carry a big bottle of SPF over a long time. And as a photographer, I
