Overview System Requirements Technical Notes Customer Service Release History Whew! This is a big review. A lot of talk about what it is, a lot about what it isn't and a whole lot of coverage of what is probably most important for readers to know... the game itself! But before we get to the meat of things, we've decided that people just aren't gonna read all this (not even the important parts) if we make it simply an answer-based piece. So if you want to skip right to the answers, you can! Or you could just come back when you're done. On with it! Guide This guide has three sections: Game Overview - a generic overview of what the game is about, how it plays and a bit about the lore. Game Mechanics - a discussion of what you can do in-game and how those things are implemented. Gameplay Tips - everything you might need to know beyond the mechanics to help you make an educated decision about purchasing the game. Game Overview Rise is an action RPG set in the Lands Between - a lush world where open fields with a variety of situations, and huge dungeons with complex and three-dimensional designs are seamlessly connected. In the Lands Between, there is a civil war between four kingdoms, and they are all vying for the power to rule the Lands Between. Chapter One starts you off on a tour of the lands, where the four Kingdoms lay claim to their own territory. You meet the Lord of one of the Kingdoms, and you find out your character was once part of a royal family. The King was assassinated, and the Lord of this Kingdom thinks that you are his half-brother. His plan is to discard you and make you his heir. Each Kingdom has a complicated political structure, where the system of succession is based on primogeniture. However, the Lord has appointed his own heir, and you are being sent to his realm to claim the throne. If you play your cards right, you'll be able to restore the Lord's power - but of course, that's only if you can make it through the land of assassins unscathed. Game Mechanics See, we realize that new players coming to this page for the first time could really use some kick-start, so we're gonna give a very brief look at what Rise is, what it

A 32-year-old man is facing charges of rape, sexual assault and lewd and lascivious conduct. WESTCHESTER, New York — An alleged attempted murderer is facing charges for allegedly raping his ex-girlfriend and her best friend. According to Westchester County police, officers responded to a 911 call in the Westchester town of Bedford on Sunday afternoon. The caller said that the woman's ex-boyfriend came into her home and attacked her. The alleged attacker was arrested at a home in the town of Bedford, police said. The victim said that the attacker was her ex-boyfriend, police said. Another woman called police Saturday evening and reported that her former girlfriend, 32, was trying to break into her house in Bedford. She tried to open the door but it was locked, police said. The suspect, described by police as a black male, then kicked down the door, police said. He then allegedly raped the victim and forced his way into her best friend's apartment, police said. The victim's former boyfriend was charged with attempted murder, attempted assault and reckless endangerment. He was arraigned on Sunday. Anyone with information about the incident is asked to contact Crime Stoppers at (914) 359-1911. Woodfordia Woodfordia is a genus of tree in the family Fabaceae. It is native to tropical Asia.
