I know I'm super late posting this, but after they say they want you to come back in two weeks, I didn't want to say too much. You can read the full announcement on Patreon's blog here: It's happened. This is my last day as host of the SOTP, my last day as a Patreon. If you've been listening to me for almost two years, you'll know that Patreon has been a pretty big part of my life. Along with my day job and binging on YouTube, I don't know what I'm going to do. I'm sad to be leaving, but I'm really excited for what's next. I think it's time to make some more SOTP videos, collaborate with some new people, and probably move back to LA and try and do some work on my own. I'm not totally sure what that means right now, so that's all for now. I know a

Â£44.99 at B&H PhotoÂ£11.90 at AmazonÂ£20.99 at AmazonÂ£0.00 at Amazon As we can see the price of Blade Runner 2049 used for marketing is quite high. So, we checked the movie production budget which is \$150 Million Dollars. It's a huge budget, by all mean Blade Runner 2049 is a good movie with a low budget, but for the purpose of marketing this movie they gave this ridiculous price. And when we saw this price tag, we thought it is the pen of showing what is next for the next movie from this production house. So, we thought that future movies from the studio will be expensive. As you can see the picture above, we are getting a time of spending \$220 Million on marketing. And if you look at this picture, we can assume that the movie The Dark Knight will be costly. So, it seems there will be a lot of money on marketing for the upcoming movies. And because of this, we need to invest on the upcoming movies, so that it can be as good as Blade Runner 2049. And a costly marketing can be a wonderful thing, when it has effective results. What is the next Blade Runner movie after Blade Runner 2049? This topic comes in question, Blade Runner 2049. So, the production house of this movie is an HP Lovecraft production house named Lovecraftian horror, as we can see on their official page, they have many adaptations of HP Lovecraft stories, some of them are Puppet Master the video games and the movie Alien: Covenant. So, you can understand the meaning of this company. And if you keep an eye on that, you can see some of their production house movies. So, we can see that Blade Runner 2049 is the second installment of the Blade Runner movie series. And the story of Blade Runner 2049 is about a Blade Runner and also about him discovering what his purpose is in the future. So, if we look at the trailer of the first Blade Runner, we can see that Blade Runner thought he was a human. And he was trying to find out his purpose. And if we get the full movie, this will be the main theme of the movie. So, we can see the main theme of Blade Runner 2049 is that a human was transformed into a robot. So, this movie will be focused on discovering what is the purpose of the humans in the future. And Blade Runner 2049 will also be a
